

Online Staff Training and Compliance Management System for Michigan Schools

SafeSchools, the leading online training and compliance management system for school employees, is a proud partner with MSBO, MASA and MASB to offer you our award-winning program at a MSBO-discounted rate!

Our comprehensive library of 100% school-focused courses matched with a state of the art compliance management system make it easy to efficiently deliver and document training for every employee in your district.

Save Time

- Administer essential safety training to all staff online.
- Deliver 220 expert-authored, 100% school-focused courses, written by the nation's leading safety authorities.
- Staff complete courses online by the dates you assign or receive automatic email reminders.
- Real-time results are automatically tracked by individual staff, building, or district progress and delivered to your inbox.
- A Policy Builder tool allows you to upload, assign, and track district policies all through the same convenient system.

Save Money

- Cut Property and Liability costs.
- Decrease Workers' Compensation claims.
- Reduce overtime expenses and in-service training time.

Save Lives

- Prepare staff on critical topics including Bloodborne Pathogens; Sexual Misconduct; Slips, Trips, & Falls; Bullying; School Violence; Diversity; Youth Suicide and more.
- Prevent costly lawsuits and legal expenses.
- Protect your district in the event of an emergency!
