Vector Solutions Helps Schools Heal with Complimentary School Tragedy Training
In Response to Parkland Shooting, SafeSchools Training's "Aftermath of School Tragedy" Course Now Available to All Educators, Free of Charge

CINCINNATI, OH (February 22, 2018) – Last week, Parkland, Florida was home to one of the deadliest mass shootings in recent history, with 17 people tragically killed at Marjory Stoneman Douglas High School. In an effort to help with the healing that is needed in schools right now, Vector Solutions, a leader in eLearning and performance support solutions, is making our SafeSchools Training course, *Managing the Aftermath of Tragedy*, available to any educator, free of charge, for the next 60 days.

"As we learned about the school shooting in Parkland, we were deeply saddened by this senseless tragedy. Our thoughts and prayers will continue to be with this community in the days ahead," said Executive Vice President of Vector Solutions Education Brian Taylor. "We hope by providing this complimentary training to all educators, we can help school communities begin the healing process."

The course, written by Florida-based school safety experts Dr. Scott Poland and Dr. Donna Poland, is available in the SafeSchools Online Staff Training System and provides valuable information on how to help your school deal with a tragedy, should one occur. Topics covered include exploring the impact on the school community, reviewing smart policies used by many schools in the aftermath of tragedy, and reviewing ways school staff members can support students and fellow staff members.
